Sure, JT. How soon do you need it and which rate do you want? There are two- a federal and state rate. State rating include students who earn GEDs and special education diplomas. The federal rate does not.
Thanks.

Dear Ms. Harris,

My name is JT Chase and I am with the United Way of Greater Augusta. We are trying to compile data for our Community Needs Assessment and would like to include the graduation rate for Waynesboro City Schools for the last 3 years in our assessment. I was wondering if you could send me these statistics?

Thanks again

JT
